Devyani cares for her emotionally, as she is the only parent she has, and she makes it a point to try and be a good mother to her. Her life takes a turn when she is offered a job by Anjali, the daughter of Amit Joshi, a wealthy businessman. Anjali has a past, which Devyani learns through her confrontation with the father. Anjali reveals that she is having an affair with a married man, who is a much older man, and that he has a son. After Anjali reveals her affair to Devyani, the two women become close and Devyani becomes friendly with her. Anjali explains to Devyani that she is not in love with her friend, Rohan, but has a crush on him. Devyani soon learns the truth of the affair, and a short while later, Anjali has to return to her husband. Devyani begins to hate Anjali for breaking her sister's heart, and for ruining Rohan's life. Devyani finds Rohan in Bombay, and confronts him about Anjali. Rohan is in fact, her husband Devendra's (Raghu Ram), brother-in-law. Devyani and Rohan resolve their conflict, and Devyani comes to know the truth about her family, and her sister. She leaves Bombay and returns to India after some time. Devyani returns to Bombay to bring her sister back. Devendra gives in to Devyani's demands for him to allow Rohan to stay with her sister and Devyani for their own good. Anjali is heartbroken when she learns about the true nature of Devyani and Devendra's relationship. Devendra meets his wife in Bombay, and tells her about Devyani. Anjali, Devendra and Devyani remain silent on the fact that she is Devyani's sister, but Devyani and Rohan do not let the truth go. Devyani finds her brother-in-law, Kumar, and has a heated argument with him. She realizes that he has no right to judge Devendra for choosing Devyani over her sister. She reveals to Kumar that he and Devendra have no right to treat Devyani like a bad person, and Kumar apologizes to Devyani. Devyani agrees to come back to India to bring Rohan and Anjali together. Devendra decides 82157476af
